Indique Hair International Announces Grand Opening of Indique Boutique Nashville

NEW YORK – July 19, 2010– Indique Hair International today announced the grand opening of Indique Boutique Nashville. This will be the third Indique Boutique in the United States, and the first one in the Southern region of the country. “Indique is very excited to be opening a boutique in Tennessee. Indique Boutique Nashville marks the first of many boutiques in the South,” states Ericka Dotson, Co-Founder and Director of New Business Development, Indique Hair International.

Indique Boutique Nashville will offer the entire Indique line including the BOUNCE Collection™ which offers steam permed virgin Indian hair, the HYSTERIA Collection™ which features colored Indian hair, the EUPHORIA Lace Wig Collection™ a line of all virgin Indian hair lace wigs, as well as the company’s flagship line, the PURE Collection™. To commemorate the grand opening, clients of the Nashville boutique will receive 10% off their first purchase. “The women of Tennessee love Indique hair because it is long lasting and it does not frizz or tangle,” says Cheryline Israel, manager of Indique Boutique Nashville.

Indian hair is a cultural heritage that reaches back thousands of years. Indique’s unique Indian virgin and natural human hair extensions are lustrous, and tangle free. Indian hair is of outstanding quality since it has never been exposed to harsh chemical treatments and has been groomed in natural herbal oils. Indique’s Remy hair extensions are unparalleled because the virgin hair used only has cuticle layers facing the same direction from root to end. This ensures that the extensions behave exactly like your own hair and guarantees natural wave, fullness, luster and remarkable usability. Light in weight and supple Indique hair has natural flow and movement. Chemical free Indique hair will enhance the length, color and texture of natural hair offering a flawless and refined weave or hair extension style. Indique hair can be washed, blow dried, curled, flat ironed, colored and permed and still maintains its original beauty and vitality allowing it to be reused for a minimum of one year.
